El Autobus

Buses are a great way to travel in Mexico, providing reliable, efficient, and affordable transportation to major cities and small towns throughout the country. Many buses in Mexico offer comfortable seating, air conditioning, onboard restrooms, Wi-Fi access, power outlets and a bag lunch.

Mexican buses are considered to be a safe mode of transportation. Mexican bus companies are privately owned. They ensure the safety of their passengers, by hiring experienced drivers, highly maintaining their fleet of buses, and following strict safety regulations.
